Do you want to ask Carla to move the prep meeting? That would be fine with me. The prep meeting can be late today if need be (Steve is out tomorrow so needs to be today).

Ok will do.

P.S. I can't find a free time for us to discuss... maybe 1:30 (and it looks like Tod is free then) but you and Steve have a prep meeting at that time.

Right. I thought that was your point and it was clear to me. You have said this all along.
Let's mention at end of priority items?
Thanks.

Oh yes, we can mention it and say that we're going to set up time with him, along the lines of what Simma suggested.

Sounds good. Do you want to mention this at the weekly?

That works for me. I spoke briefly to Tom yesterday and emailed Tod, but I would like to loop them in as well and get their views.

Right. Should we just let him know that we'll set something up with him shortly?

Yes, we should. Think David wanted us to discuss with him soon as well, but assume we should discuss amongst us first.....?
